<u>DSL-200</u> Windows 7 Setup

You can download the latest drivers for the respective operating system from our local ftp site which is <u>ftp.dlinktech.co.za</u>, or if you still need support after this setup document then simply e-mail D-Link Africa HQ at support@d-link.co.za or call the following <u>number +2712 661-2025</u>

1. <u>Open the CD or the downloaded drivers and go to</u></u> <u>SETUP and RUN the drivers,</u>
