## **DSL-2650U Printer Server Configuration Procedure**

## 1. Introduction

This application notes explain the steps of enabling the Printer Server function in DSL-2650U

## 2. How to enable on-board Printer Server function

Following are the steps to enable the on-board Printer Server. Step1: Enable Print Server from Modem Web GUI.

Check "Enable on-board printer server" and key in "Printer name", "Make and model"

Note:

The "Printer name" can be any text string up to 40 characters. The "Make and model" can be any text string up to 128 characters.

Step2: Click on Add a printer from Control Panel of the Win XP computer and click "Next".

Step3: Select Network Printer and click "Next".

Local or Network Printer			1
The wizard needs to know whic	h type of printer to s	et up.	
Select the option that describes	the printer you want	to use:	
O Local printer attached to this	computer		
Automatically detect and	install my Plug and	Play printer	
A network printer, or a printe	attached to anothe	r computer	
To set up a network pr use the "Local printer"	nter that is not attac option.	thed to a print server,	
			11-2

Step4: Select Connect to a printer on the Internet, type

"http://192.168.1.1:631/printers/hp3845" (LAN's IP) and click "Next".

The printer name "hp3845" must be the same name entered in the ADSL modem WEB UI "printer server setting" as in step 1.

Specify a Prin If you don't that meets	nter know the name or address of the printer, you can search for a printer your needs.
What printe	r do you want to connect to?
O <u>Find a p</u>	rinter in the directory
	to this printer (or to browse for a printer, select this option and click Next):
Name:	
	Example: \\server\printer
⊙ Connect	to a printer on the Internet or on a home or office network:
URL:	nttp://192.168.1.1:631/printers/hp384\$
	Example: http://server/printers/myprinter/printer

Select the mainstallation printer docume	ufacturer and model of lisk, click Have Disk. If ntation for a compatible	your printer. If your printer came f your printer is not listed, consu e printer.	e with It your
