

### DSL-2750U H/W: T3 3G Compatibility List

If your 3G dongle isn't on the compatibility list we can't guarantee that it will work on the DSL2750U.

3G dongles that are on this list might have been upgraded (by the manufacturer) to use Hi-Link technology, which is not supported on the DSL-2750U.

LTE dongles are not compatible with the DSL-2750U.
