

DWR-116 Modem Card Support List

Release Date: 2016/12/09
Minimum Supported FW version: v1.05b08

The adapters in this list were found to be compatible with the DWR-116 after testing, though due to frequent software and hardware revision by manufacturers, D-Link cannot guarantee compatibility of these adapters with the DWR-116, and this list should be used for reference only. If you experience problems with your DWR-116, please contact your local D-Link technical support.
